certifies that the change in the type design for the following product with the limitations and conditions
therefore as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation
Regulations.

Original Product—Type Certificate Number: H8EU
Make: Airbus Helicopters
AS350C, AS350D, and AS350D1

Description of the Type Design Change: Installation of a supplemental avionics console between the front
seats in accordance with Geneva Aviation Master Drawing List GA158, Revision C, dated April 14, 2008, or later
Federal Aviation Administration approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model rotorcraft only.
This approval should not be extended to other rotorcraft of this model on which other previously approved
modifications are incorporated unless it is determined that the relationship between this change and any of those
other changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of
this certificate and the MDL must be maintained as part of the permanent records for the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the
other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until
surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the
Federal Aviation Administration.
